To whom it may concern:

I would like to voice my support for the Pedestrian Safety Ordinance proposed by Councilperson David Anderson. The homelessness issue in Dover is getting out of hand and panhandling on street corners is just a part of the problem. Ignoring the problem is just allowing it to get worse.

I don't actually want to see these people fined or jailed, but they need help and they are not getting it beggin on the side of the road. Let's put a stop to this practice and see that our disadvantaged get the help that they need to become functional members of our community again.

Thank you.
